

How to Make Paper Snowflakes

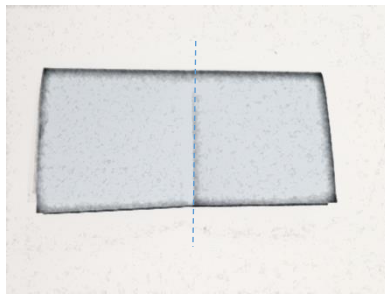

1. Begin with a square piece of paper. It can be any size, just as long as its square. This paper here is 9 inches square and is a pretty easy size to handle.

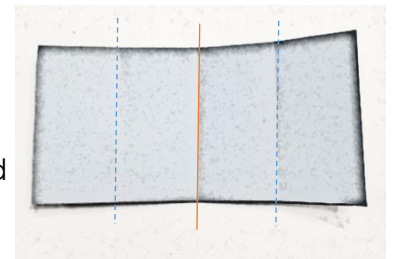

2. Fold in half

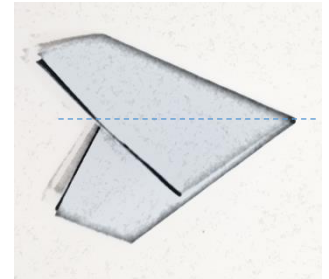

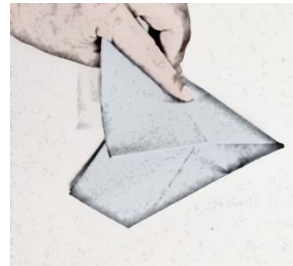

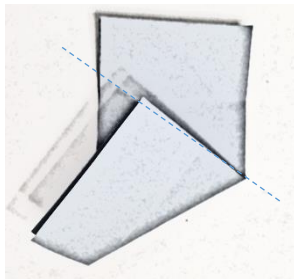

3. Fold in half again on the dotted line to make a square then open back up.

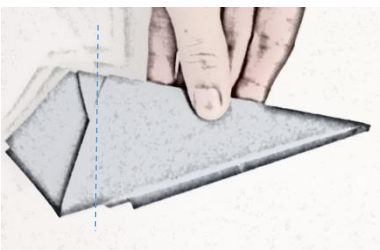

4. Fold the outer edges in toward the red line to make a crease on the dotted line then open up again.

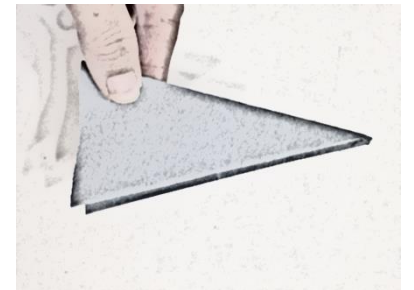

5. Fold the outer edges in at an angle.

6. Fold that in half.

7. Trim off the bottom.

8. Cut out unique designs and shapes.

9. This is the what that pattern looks like opened up. Have fun creating beautiful snowflakes!
